MUST LOVE DOGS—Meet This Week's Featured Leading Lady

KIRA-Country lady ISO LTR

I am a 6-7 year old female and have always lived on a farm. I get a little overwhelmed with all the hustle and bustle of big city life, but am looking for someone to show me around town. I've just come out of a serious relationship, but I'm ready to find my soul mate.

About me... I am social with dogs and cats and would actually prefer to be part of an established four-legged family. I would prefer a quiet home without children. I am shy when I meet new people, but will warm to them after a short while. I am housebroken, spayed, UTD on my vaccinations, micro-chipped and heart worm negative.

My interests... I love long walks on the beach and car rides with the windows open. I like my crate and go there to get away from it all to meditate or contemplate how to save the world. I am just a laid back girl who appreciates the simple things in life. If you are looking for a gentle companion, then I'm the one for you!

My ideal first date... would include a quiet night at home with kibble and a movie! I hear Beverly Hills Chihuahua is good!
